In the early part of November 1979, very soon after I flew into Nepal, I settled into a cheap hotel room, then went outside and wandered about for a while in Kathmandu... hoping to stumble onto my Swiss buddy Werner.

Somehow I found him again rather quickly, in the grace and providence of God, even though I could easily have lost forever my connection with this fellow world-traveler. Without his help, I might never have attempted to do any trekking in Nepal, since I had no innate "sense of direction"—a very useful necessity for a long-distance hiker—and had a life-long habit of getting lost easily.

In fact, one of the most amazing things about my lengthy travels as an Earth-trekker is that I spent so many months and even years traveling abroad, living abroad, and exploring my home planet... without being completely lost and in trouble at all times. It seems now like the Almighty God of Heaven was somehow watching over me and keeping me safe even then... back when I was still an Evolutionist, a Humanist, a Buddhism-attracted pantheist... and a science-fiction addled dreamer.

Back then I was still deluded with strange notions of the need for a worldwide and ecumenical New Age religion that would be solidly based on the "hard science" of Evolution. Yeah, I was really "sold-out" for Evolution in those days... an enthusiastic proponent of the world's newest (and hugely popular) major religion: namely, the faith of Evolutionism.

Yet God still kept me safe during my many months of backpack-traveling all over the world... in spite of all my heretical delusions! I'm certainly grateful to Him for that. I presume He was already aware (being Omniscient) that, even though I seemed to be in Satan's hands, presently in training to become a False Prophet for the worldwide religion of the Antichrist... nevertheless, I would later come back to Bible-belief and faith in Jesus.

And He knew that one day I would end up writing a lot of Christian evangelism tracts, instead of proclaiming a lot of New Age nonsense. At the time when I was visiting Nepal, I actually felt like I was on the verge of becoming a "new prophet" for an ecumenical world-religion that would be built on the faith of Evolutionism. I didn't know in 1979 that I was so close to being another False Prophet of Evolution... like most of the many science-fiction writers that are currently in vogue.

Somewhat like the optimistic False Prophets of ancient Israel and Judah, I was busy predicting a "wonderful" future for America and all of humankind— a "happy" future of Human Evolution, of Space Travel, of the Human Ascent in the Universe, and the coming of a Scientific Utopia.

Back then, I supported the old "Inevitable Progress" idea and advocated the "Cosmic Optimism" philosophy that came down to me from the European Enlightenment period... rather than the far more realistic prospect of a sinful world finally reaching catastrophes and disasters.

Full of false prophecies that were coming out of my own imagination, I couldn't even imagine in those years a possible future where the Tribulation Period that Jesus predicted was still ahead for our world.

Jesus' own words of prophecy declare that our world will ultimately become so wicked that it is as bad as the world of Noah, and equally in need of cleansing. The desperate need for God's Judgment upon Earth's wicked population and the Rescue of a final portion of His Chosen Remnant triggers the final Return of Jesus Christ to Earth as its conquering King.

This Final Advent by Jesus Christ, His final and permanent Return to planet Earth, is an event that will take place at the end of Israel's Great Tribulation years, and it will be those two urgent necessities that cue the ultimate Return of Jesus Christ as a conquering King of the Universe.

The real future is this: As a conquering warrior, Jesus Christ will have to descend from the sky someday— passing through the clouds of Earth with an army of angels by Him for His descent— as He comes back to establish His throne in Jerusalem for our planet Earth. In the process of this Glorious Appearing, Jesus will be rescuing a chosen portion of humanity (His "saved remnant") from the nation of Israel and from the remainder of Earth's living population. At that time, Jesus will be bringing with Him a frightful "Judgment Day" for all of that great mass of unbelievers who have continued to plot evil against God... often worshipping Satanic idols, devils, and demons of many sorts.

Jesus at the time of His final Return will not be coming back to Earth as a meek-and-mild Lamb of God... instead, He will be coming down to Earth as the conquering Lion of Judah and the Judge of all Earth's inhabitants!

For many centuries and even millennia, the great masses of Earth's population have stubbornly and blithely continued in the excessiveness of their sins— worshipping money, power, pleasure, entertainment, fame, and self-interest... greedily worshipping SELF rather than YHWH God or His Son Jesus Christ. Our planet, which some people like to call "Spaceship Earth," is rapidly heading toward a catastrophic collision with the Almighty Judge of all the Earth's inhabitants!

I didn't know that back then, and so instead, as one of the Bible's unbelievers, I "prophesied" only a happy and utopian future for all the "ever-evolving" inhabitants of the planet Earth.

I really thought "science" and Evolution were going to bring a utopia to the Earth in the near future! And if it never happened for us here on planet Earth, I was sure that a "scientific utopia" would have to be established later on, upon some OTHER planet, after a few more millennia... once human beings had left Earth behind, moving away to planets of other stars.

But the Absolute Truth of God's Holy Word is that we will never see peace in the city of Jerusalem, nor any kind of genuine peace on Earth, nor a "utopian" paradise of any sort... until Jesus Christ has returned to the Earth, descending through the air to establish His throne in Jerusalem and His new Kingdom on Earth.

I'm glad I got rescued from my sins, my idolatry, and the false prophecies that came out of my own imagination... because I was deluded in a big way back then... and my mind was actually hostile to the Absolute Truth of God's Holy Word.

The Word of God is Jesus Christ, Who is Divine, the Only Begotten Son of God by Man... and as part of the Triune God YHWH, He is ultimately both the Creator of our Universe and the inspiration for all the divine and inerrant Scripture of our Holy Bible.

This means Jesus Christ in His eternal form as God The Son is actually the Divine Source of all the Scripture that Christians find in our Holy Bible! In effect, it means that the Bible is absolutely reliable as Truth, flawlessly accurate and never wrong... because Jesus Christ Himself guided human beings through His Holy Spirit, as they wrote down every word of it.

So you see, the Word of God Who is Jesus Christ actually WROTE for us the Holy Book that is our Christian Bible. I know that now, thank God. And nowadays, I'd like to have everybody in Nepal (and in all the other nations of Earth) know it likewise.

The prophecies of Jesus Christ concerning the future of our planet Earth are at least a billion times more reliable than those of all the science-fiction writers, fantasists, and false prophets who have ever lived on our world...

And why is that?

Because all the rest were mere human beings—false teachers and false prophets. No one else ever descended from God's Heaven to the Earth, as He did, in order to become God The Son incarnate in a human body. Jesus Christ, however, is the Holy Word of God, the Light of the Universe, and He is the divine Author of our Holy Christian Bible. That's one of the reasons why Jesus is rightly called "the Word of God."

In the divine nature of the Holy Triune God YHWH there is only Light and no darkness. That's also true of God The Son, Who became the Only Begotten Human Son of Triune YHWH when He was incarnated in the human body of Jesus Christ.

All Light and no Darkness— that means there can be no lies, no falsehoods, and no mistakes in the inerrant Word of God. There's no darkness in the Holy Word of God... no mistakes will be found in Jesus Christ's prophecies, nor in the Holy Bible that God The Son produced.

God The Son is assuredly the Word of God, and He served as the indirect author and the holy "ghost writer" of the entire Christian Bible... through the interaction of His Holy Spirit and His inspired human scribes.

We are told in the Holy Scripture of that same Christian Bible that the Triune YHWH God has Omniscience, and that He "sees the End from the Beginning."

When Jesus tells us that He sees the End from the Beginning and then makes many prophecies about the future of our Earth... we would be wise to believe His prophecies.

The Triune YHWH God proves His existence in the innumerable fulfilled prophecies of the Holy Christian Bible. The Holy Bible has more than 1000 prophecies of the future within it, and more than 500 of them have already been accurately fulfilled.

The remaining prophecies concerning Earth's future will LIKEWISE be accurately fulfilled during these last few years before the Return of Jesus Christ to Earth.

None of Jesus' prophecies regarding the future of our Earth can ever fail to come to pass... because even when He was in his "normal" human body in the days of ancient Israel... His human body had been incarnated with the spirit of God The Son...

And since God The Son is the eternal Word of God Who actually created our Universe (as the gospel of John clearly declares), this means that Jesus Christ had access even then to all the knowledge of God The Son... the actual Creator of our Universe.

In giving all of His prophecies concerning Earth's future (found especially prominent in Matthew 24, Mark 13, and Luke 21), Jesus was the embodiment of God The Son and was acting always as the human Voice of God The Son, the Holy and Inerrant Word of God.

This means that at the time when He was making His prophecies concerning the troubled future that was still lying ahead for planet Earth, a time of tribulations that would never again be equaled in all the entire history of the Earth... Jesus was necessarily accessing the Omniscient knowledge of God The Son for the purposes of His prophecy.

Other prophets were merely human and could make mistakes, but Jesus Christ on Earth was both human and divine, the incarnate form of God The Son... one Person of the Triune YHWH God.

So Jesus could make no mistakes whatsoever in His spoken (and accurately recorded) "vision" of the future! Any mistakes in His vision of the far-future planet Earth would have ultimately proven Him to be a false prophet... only deserving of the usual stoning-to-death execution that was

handed out to every other false prophet among the many such who appeared in ancient Israel.

Jesus Christ, however, was not a false prophet—like the multitude of science-fiction writers, the deluded fantasists, the myth-loving Evolutionists, and the falsehoods-teaching college professors in today's world—but a True Prophet of God, truly the Holy Word of God.

Jesus was even then divine and fully knowledgeable concerning the Earth's far-distant Tribulation Period, the great time of Earth's future troubles and disasters...

Jesus was even then the incarnate God The Son, the Only Begotten Human Son of the Triune YHWH God...

And He remains forever Holy as the eternal Word of God... the Holy One Who actually created our Universe... and the Holy One Who could see the End from the Beginning.

* * *

You gain Eternal Life with YHWH God by placing Jesus Christ, Who in the Trinity of YHWH God created our Universe, upon a throne at the center of your heart! He deserves that position and that kind of respect. He was first God The Son, but when born in human flesh He became the only sinless and righteous person who ever lived. Yet He has sacrificed Himself on a cross for your sake, taking all guilt and sins upon Himself— for you and for me, and for all people everywhere on Earth— that whoever wishes for salvation may be rescued from the due punishment of sins.

If you will do this, you will gain a new contentment and peace as you accept Triune YHWH God's great organizational plan for the Universe . . . because you'll be letting Triune YHWH God be the Ruler of All Things in this world . . . and in your own life.

All it really takes is a simple but sincere little prayer—one that you should make up in your own words. The prayer for deliverance and for the Triune YHWH God's leadership should come from your own heart!

Some important elements that you might include are:

- 1) your desire to turn away from the wrongness or evil of your past life, and your remorse over the sins of your previous life,
- 2) your desire for Triune YHWH God's forgiveness and mercy through the act of sacrifice of His Only Begotten Son (Jesus Christ),
- 3) your desire to know Triune YHWH God's leadership in your life,
- 4) your desire to learn more of Triune YHWH God's truth through Bible study,
- 5) your desire to find fellowship with genuine believers.

When you're saved, you'll know Jesus is King of the Universe, and also the Lord and Master of your life. You'll know the three faces of YHWH God Almighty: God The Father, God The Son, and God The Spirit.

His Holy Light will start to be visible in your own face and actions!

Jesus said of the people of God that "The kingdom of heaven is like a net that God has cast into the sea, and it gathers of every kind: When it is full, it will be pulled up on the shore, where they will sit down to sort the catch, and they will collect the good fish in baskets, but the bad things will be thrown away. This is the way it will be at the end of the world: The angels shall come forth, and they will separate the unrighteous persons from among those justified by God . . ."

Excerpt from the book of Matthew, who was a constant companion of Jesus and his devoted disciple [13:47-50]

Jesus spoke of the people of God as being like a seed that is growing secretly, saying, "As for the kingdom of God,

it is as if a person should cast seed into the ground; and then he sleeps, and he rises up night and day to see that the seed is springing forth and always growing up, although he knows not exactly how. The Earth is bringing forth fruit from itself; first the blade, then the ears of corn, and after that the fullness of the ears of corn. And when all the fruit of the Earth has come forth, immediately God will use the sickle to reap the fields, because the harvest-time has come."

Excerpt from the book of Mark [4:26-29]

It's extremely important for all of us to remember this:

- 1) **WE SPEAK TO TRIUNE YHWH GOD** by our prayers.
- 2) **TRIUNE YHWH GOD SPEAKS TO US** by the words of His Holy Scripture.

So we must try to read His words and His Book just as often as we possibly can... on a daily basis!!

Almighty YHWH, The Triune God of Israel and all the Earth, wants to bless you through His Only Begotten Son of Man, Jesus Christ— Yeshua, the Messiah of Israel... the soon-coming King of Israel and all the Earth— so let Him reward your search with the grace of His forgiveness and enlightenment!

Triune YHWH God wants to bless you for all your long efforts to understand this very confusing and difficult Universe in which we live. He wants you to be spared from the normal wages of sin and the terrible Day of His Wrath that is yet to come— so let Him reward your lengthy search with the grace of His forgiveness and His enlightenment!

It's better to show good sense now—today—before His Judgment time arrives... so you can't end up regretting your choices for all eternity.

Life and Death have been placed before you. The Word of God says, "All those who hate Me love death." Choose eternal life with Jesus Christ and His Heavenly Father... not an eternal darkness with that evil ruler whom Jesus called "the Prince of Darkness." As God's Only Begotten Son warned us long ago... the Evil One named Satan is forever a murderer and forever the Father of Liars.

Choose new life in Christ, not the ages-old tyranny of Satan... and you'll at last find the narrow path to Heaven... avoiding the popular Wide Road that leads only to the torments of Hell.

Acknowledge the Wisdom of Triune YHWH God... the Righteousness, Holiness, and Divinity of His Only Begotten Son of Man... and the Heavenly Father will no longer see your own sins and shortcomings. They will all be hidden from His sight by a cleansing in the sacrificial blood of Jesus Christ, the Lamb of God.

Choose to love YHWH God's Way of Life and growth—not the Liar's way of self-destruction!
